

Beyond the Beyond

Tantra Heart **Level 4+** Course
December 2-5, 2010

Fourth level of Babaji Cobra Breath produces an expansion beyond human boundaries into the formless

In the evolution of consciousness Level 4+ is opening the passages for leaving the body, dropping the body, **confronting & experiencing “death”**. We have reports that Babaji laughs at death, not in a mocking way, but in realizing the folly of one’s personal need to be attached to the body, possessions & ego desires. This expansion in Level 4+ is **beyond the cosmic & beyond the underworld too**. Paradoxically while leaving the body, the expansive freedom of the Level 4+ practice intensifies your love for being human, your commitment to share deeply with others, and your passion to be in **bold significant service accelerating the evolution of humankind**.

This course is highly mystical with the most powerful techniques known for **expanding individuals and groups to supra-consciousness**. Before & after the course, the new project technology of **Basecamp** will be used to form a learning/creating community, that includes workshop preparation, travel logistics, accommodations, personal support & skilled management of transitions that “rock deeply” in this journey.

If you have **previously attended** the Level 4+ course, you are encouraged to participate again ~ to intensify your practice, learn new methods/processes we have recently discovered, and open your full energy consciousness in this accelerated field of love for private transmission of upper level Cobra Breaths.

Prerequisites to participate in this course & receive the Level 4+ Babaji Cobra Breath are: completion of Levels 1 - 3 courses; a consistent Tantra sexual-spiritual practice; and clear self-discernment of personal readiness to receive these most advanced transmissions. Discernment questions will be sent to you when you apply. A personal conversation with Richard or Antoinette about readiness is suggested.

Level 4+ begins Thursday, 12/2/10 at 6:30pm ~ ends Sunday, 12/5/10 at 1:00pm

Tantra Heart Home Center, Cincinnati, Ohio is a sacred & beautiful space for learning Tantra.
