 - * *Emphasis on technique mastery including key emotional flow processes*
 - * *Find new satisfaction in work, play, relationships & sexuality*

Level 2 Total Immersion, another version of Level 2, is a 5 day deep discovery process offered June 2-6. The Total Immersion course includes the core techniques of Heart of the Practice, plus more processes for bringing conscious freedom to hidden patterns, attitudes & beliefs. Students can attend Heart of the Practice, or Total Immersion, or both courses.

You receive Babaji's Cobra Breath 2 in a self-initiation to open the first 3 chakras and become whole unto yourself on the most primal levels. You move past struggles with "the unacceptable" including sex & the opposite sex. You learn to use the "struggle with polarities" as opportunities for seeing and discovering yourself. By being the Witness, infused with primal creative energy, you quickly move through your limitations to a **discovery of the lover within.**

Level 2 Heart of the Practice begins Friday 11/12/10 at 6:30pmEST ~ ends Sunday 11/14/10 at 4:30pm

Tantra Heart Home Center, Cincinnati, Ohio is a sacred & beautiful space for learning Tantra.

Before & after the course, the new project technology of *Basecamp* will be used to form a learning/creating community, that includes workshop preparation, travel logistics, accommodations, personal support & skilled management of transitions that "rock deeply" in this journey.
