

Live in Joy, Excitement & Love

October 28 - 30, 2011

Tantra Heart 1 Course

for singles and couples and all
sexual orientations

Break through old Limitations.

Open yourself to infinite Love.

Discover life to be both spiritual and passionate..

Free your sexual energy to higher levels of awareness.

Learn "Babaji Cobra Breath" ~ an amazing technique to activate Kundalini energy.

Tantra Heart awakens sex to beauty & more. *It is joy beyond words. Most people leave the workshop having new access to deep joy, excitement & love. You can live this way no matter what life brings. In meditative space with sensual energy, the Divine awakens. You embody God. Sexual energy is a powerful tool for awakening True Self. Tantra Heart gives you exquisite time-tested techniques for living enlightened.*
